MITCHELLPROUD

So far Erie/Mitchell is the best insurance company I've worked with! Initially, as I was shopping for new policies, I didn't pay much attention to it, not knowing this name. Usually people go to bigger names, learnt from expensive large advertising. But being disappointed in the past by exactly these large corporations, I decided one day to give it a shot. So far, I'm very happy I did it!

We are always working towards improving your experience at Mitchell Insurance as well as making our community stronger. As our clients, you are the center of our business. We are always happy to hear your concerns.

Each time you share a review it gives us the opportunity to improve our service to you and the community. If you would like to take a few moments to share

I was lucky to meet Chrissy Carr and I was really pleased that I was not passed from one employee to another. She did everything for us and remained the only contact I needed. I was refused coverage for one property by other insurers, but Chrissy resolved in a matter of hours. I highly recommend this insurance company for its professionalism and efficiency.
