Your support for our Commitment to Community Food Drive goes a long way in supporting our neighbors in need. Though many of us do not even realize it, hunger exists in our very own communities, right here, right now. It could be our neighbors, the kids in our children's classes, or even our own family. We all continue to face overwhelming challenges this year and despite our resiliency on many fronts, many of our community members are still silently struggling with hunger.

We invite you to be part of the solution today by donating non-perishable food items at any Mitchell Insurance office location. Donations are being accepted during business hours at ALL LOCATIONS now through Friday November 20th. It only takes one act of kindness to provide food today to nourish our communities for tomorrow. WE ARE THE LAND OF THE FREE
because of the bravery of our men and women who
have fought and are still fighting the battle for our liberties.
WE SALUTE YOU THIS VETERAN'S DAY!

There are over one-million active duty military, making each of our veterans truly one in a million. Yes, it can be tough to find adequate words, given everything that veterans mean to our country. But in many cases, a simple "thank you for your service" is enough. To all those who have served, and those who continue to serve we thank you! Our country's greatness is built on the foundation of your courage and sacrifice.

We invite you to honor our veterans both past and present by commenting, sharing, and posting your pictures directly to our [Facebook](#) page this Veterans Day. It is to those that serve, that we owe our freedoms.
